

THE WINTERBOURNE PARTNERSHIP

TERMS OF REFERENCE

The Winterbourne Partnership is currently comprised of : The Ridings High School (Secondary); Brockeridge Infants; Elm Park Primary; Frampton Cotterell Primary C of E; Hambrook Primary; Highcroft Juniors; St Michael's Primary, Winterbourne; and the Manor Primary School, the majority of whose pupils eventually transfer to The Ridings High School.

Our Partnership exists to foster a corporate identity in order to promote its needs and interests by:

- Promoting trust and understanding between schools serving different phases and encouraging collaboration and co-operation.
- Developing continuity of educational experience between different stages of education.
- Sharing experiences and resources and by using each other's expertise.
- Furthering professional development of staff.
- Providing mutual support.
- Facilitating co-operation between governors, staff, parents and children.
- Fostering positive relationships with the wider community.
- Celebrating achievement.
- Technology College designation has resulted in an enhanced co-operation within the Partnership particularly in the subject areas of Mathematics, Science, D&T & ICT. The Partnership oversees the progress of the Technology College Development Plan and has particular interest in:
 - summer schools
 - Maths and Science teaching sessions.
 - Joint Inset
 - D&T Computer Aided design projects
 - ICT developments

The Partnership also plays a key role in the formulation of outreach objectives and success criteria for inclusion within the Technology College Development Plan.

Working together enhances the learning opportunities for the pupils in our shared partnership.
